

Academy Of Leaders Primary School

We are an institute of high standard, based on the British English Curriculum. We believe in educating the mind and the soul to raise children of intelligence and respect.

AOL is founded for the purpose of training children in the correct way of learning and living. Education is a learning process that is achieved through guidance, exploration, play and effort. We encourage all these processes in our curriculum.

Children are blessing bestowed on us by Allah, and it is our duty to do our best to guide them well. At AOL we take this responsibility seriously. We believe a kind; polite obedient child has higher regards for this education and a better chance for success.

At Academy of Leaders our priority is respect and achievement. Therefore rules are implemented, followed, and enforced.
